Dear Judge Poppiti:

Intel provides the enclosed information pursuant to Paragraph 8 of the Order Regarding Intel's Evidence Preservation Issues. The enclosed documents are marked Confidential and are being filed under seal.

Sealed Exhibit 1 is a revised version of the document previously provided to Your Honor on June 29, 2007 (D.I. 389 in the 05-441 case; D.I. 523 in the 05-1717 case; and D.I. 401 in the 05-485 case). We are providing this revised version because we recently learned that the version filed on June 29, 2007 inadvertently included certain information that did not apply to one of the identified custodians. The specific revision is identified in Footnote 1 of the revised document. Sealed Exhibit 2 is provided for the first time.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "W. Harding Drane, Jr." with a stylized flourish at the end.
